COMPANY OVERVIEW

DLB Trading is a Malawian-owned enterprise established in 2025, specializing in the supply and delivery of a wide range of equipment, machinery, and general goods. The company is committed to providing reliable, efficient, and high-quality procurement solutions across multiple sectors including agriculture, logistics, and industrial operations.

With a strong focus on professionalism and service excellence, DLB Trading continues to build a reputation as a dependable partner for both public and private sector clients.

Mission

To deliver high-quality products and services that meet client needs through efficient sourcing, timely delivery, and consistent reliability.

Vision

To deliver high-quality products and services that meet client needs through efficient sourcing, timely delivery, and consistent reliability.

CUSTOMER FOCUS

At DLB Trading, we prioritize customer satisfaction by consistently reviewing and enhancing the quality of our products. Our commitment include:

Tailored Solutions

We listen to our clients to understand and meet their specific needs.

On-Time Delivery

Reliable and efficient logistics to ensure your orders arrive when needed.

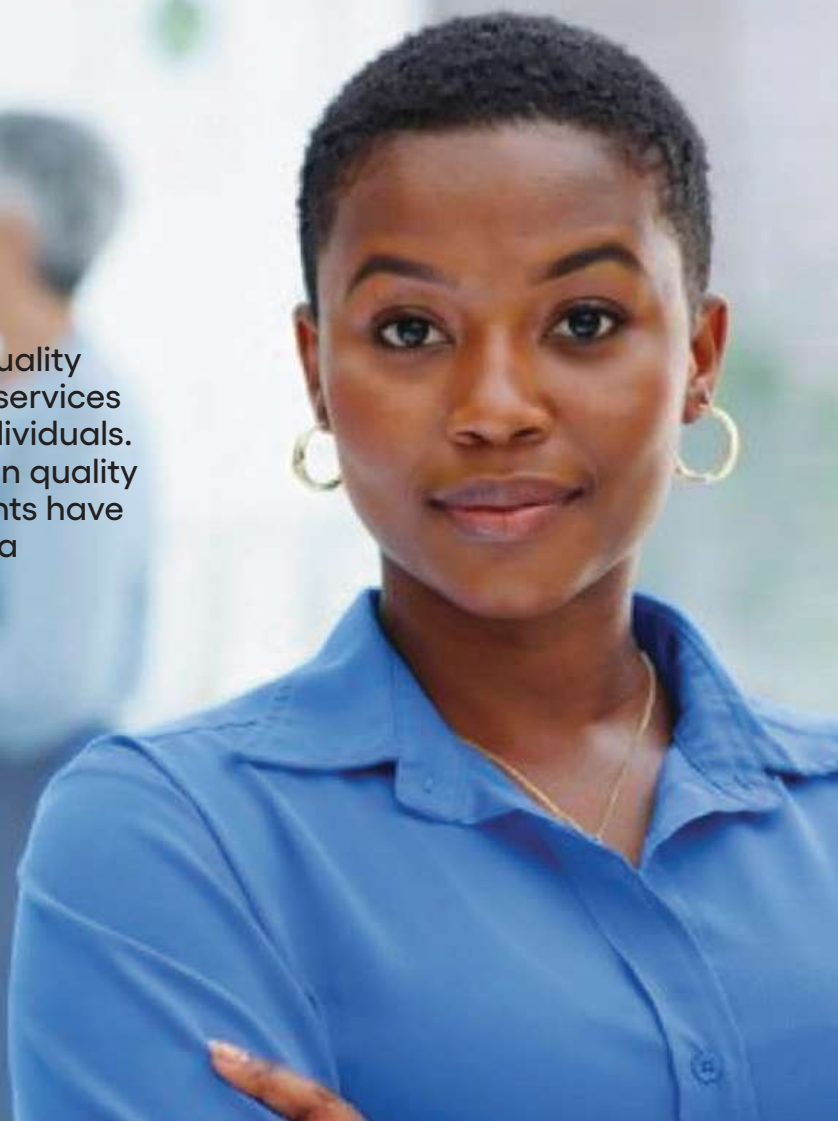

Continuous Improvement

Ongoing assessment of our products to maintain excellence.

OUR MANDATE

Our mandate is to provide high-quality general supplies and specialized services that empower businesses and individuals. We aim to bridge the gap between quality and affordability, ensuring our clients have the tools they need to succeed in a competitive market.

Provision of branding solutions including printed materials, embroidery, signage, large-format printing, and promotional media services.

08

Food Supplies

Delivery of quality food products to meet the needs of institutions, businesses, and households.

CONSTRUCTION MATERIALS

We source and utilize only the finest construction materials, carefully selected for their durability, sustainability, and aesthetic appeal. Our materials portfolio includes:

Natural Materials:

Sourced from local suppliers, our natural materials include solid woods, stones, and earth-friendly products that bring warmth and character to our builds.

Engineered Materials:

We choose cutting-edge engineered materials like laminated woods, fiber-cement boards, and advanced composites for their strength, efficiency, and versatility.

Finishing Materials:

From luxurious hardwoods and marbles to sleek metals and eco-friendly paints, our finishing materials are chosen to elevate the look and feel of every space.
